MORE INFORMATION: Forming part of this year's Melbourne Food and Wine Festival, the Regional World's Longest Lunch: Nagambie Lakes, will be hosted by Tahbilk Winery on the 80 metre long bridge within the estate.

Now a sold out event, the Nagambie Lakes Longest Lunch will offer guests a truly unique food and wine experience unlike any hosted at the winery before. How often do guests get to enjoy a 3 course meal from an 80 metre long bridge over-looking the picturesque wetlands and billabongs of the Goulburn River?

Combining forces with other regional legends; Mitchelton Winery and esteemed food caterer, Jillian & Bernard Hayes; the Regional World's Longest Lunch: Nagambie Lakes, will celebrate and showcase the local food and wine of the region, whilst guests are serenaded by soprano opera singer, Stefanie Bellamio.

As the most recent recipient of James Halliday's Winery of the Year, Tahbilk's event promises to be one of the standouts of the MFWF's line-up. This once in a lifetime opportunity will delight all who attend.
